- **World History***
Mon/Wed 11:00-11:40am

**Online UC approved courses.*

The Hillside School 2020 Remote Learning Summer School (June 15 - July 24, 2020)

The Hillside School's online classes are formatted with both in-class virtual (Zoom) and online instruction and assessment (eg. Google Classroom, Canvas). The Hillside School has been offering and teaching UC approved online courses for the past five years. We are confident in providing quality education with qualified and experienced teaching staff. Although the College Board, colleges and universities are accepting course credits from online courses from accredited schools that have not taught in this format before, Hillside School has the great advantage and success of teaching this way successfully.

The following are requirements for students enrolled in online classes.

Students must:

- have an electronic device (tablet, computer, etc.) to access the course.
- have a student email account and reliable access to the internet. (eg. do not use LCHS emails)
- attend all virtual sessions to receive full participation points toward course grade.
- fully participate in virtual meetings with audio and video available for maximum engagement.
- access class materials from teacher's online platform (Google Classroom or Canvas) for assignments, labs, quizzes, projects and exams.
